How do I turn off Google's new Gmail design interface?

Tell Me

To toggle back to the "classic" design interface in your browser:

1. Login to `gmail.uncc.edu` (if you're not in it already)
2. Select the `gear icon` located in the upper-right of the screen

3. Select Go back to classic UNC Charlotte Mail

4. The "classic" design interface will show up in Gmail
5. To go back to the new version, select the `gear icon` again, in the upper-right of the screen
6. Select Try the new UNC Charlotte Mail

On September 18, 2018, the new design will automatically show when you login to Gmail. You can still toggle back to the "classic" version until October 16, 2018, when it becomes permanent.
