Who can access and use WebEx?

Tell Me

1. All faculty, staff, and students are able to log into WebEx using their NinerNET credentials.
2. Non-University persons may attend a WebEx meeting but are not able to be a host.
   a. This category includes continuing education students and sponsored guests.
3. View this FAQ for information about logging into WebEx.

Warning

Sponsored guests do not have access to WebEx by default. The limitation is temporarily being waived in response to COVID-19. To request WebEx access for a sponsored guest, contact the ITS Service Desk with the name(s) and email address(es) of those who need an account. More information about sponsored guest accounts can be found here.
