How do I request Administrative Leave COVID-19 in Kronos WFR?

Tell Me

Effective June 1, 2020, and continuing until revised or rescinded, the UNC System Office issued additional guidance that affects leave provisions and Administrative Leave COVID-19. While administrative leave will still be available, leave under the provisions has significantly changed. Depending on the situation, an individual may need to apply for leave available under the Families First Coronavirus Response Act (FFCRA), traditional Family Medical Leave or request an accommodation to address their individual needs.

Administrative Leave COVID-19 can be used when employees cannot telework or for eldercare when a facility has closed due to COVID-19.

Beginning June 1, Administrative Leave COVID-19 will be paid at two-thirds pay, and the employee can choose to supplement this leave with one-third of personal accrued leave to receive full pay. Administrative Leave COVID-19 hours should be submitted in Kronos WFR and through the payroll process, the supplemental one-third personal accrued leave will be reduced based on the hierarchy shown below.

- If supplementing the Administrative Leave COVID-19 leave with personal accrued leave, choose one of the two new Time Off types:
  1. Admin Leave- Unable to Telework-No LWOP
  2. Admin Leave-Eldercare-No LWOP
- If not supplementing the Administrative Leave COVID-19 leave with personal accrued leave, then choose one of the following new Time Off types:
  1. Admin Leave-Unable to Telework-LWOP
  2. Admin Leave-Eldercare-LWOP

To request Administrative Leave COVID-19 effective June 1, 2020:

1. Log in to Kronos WFR.
2. Submit a Time Off Request.
3. Select ONE of the following as the Time Off type:
   a. Admin Leave-Unable to Telework-No LWOP
   b. Admin Leave-Unable to Telework-LWOP
   c. Admin Leave-Eldercare-No LWOP
   d. Admin Leave-Eldercare-LWOP
4. The time selected should be time missed based on the employee’s normally scheduled hours, but only for the amount of time that would equal the total hours for the week based on the employee’s FTE (i.e. 1.000 FTE = 40 hours/week; .50 FTE = 20 hours/week).

Info

If the employee chooses to use personal accrued leave to supplement administrative leave, Kronos will pull from leave buckets in the following order:
Compensatory Time (all types) > Sick > Vacation > Bonus (BONSAL, then BONSPL, then BONREG) > Floating Labor Day Holiday

If, after the supplemental leave has been reduced, you require that a different leave category be used for your supplement, refer to this FAQ for steps on how to request the change.

Nonexempt employees: ADMIN LEAVE-COVID-19 time off hours should not cause the employee to report more than the total hours allowed based on the employee’s FTE (e.g., an employee of 1.000 FTE should not exceed 40:00 weekly hours).

STOP!

The process below expired on May 31, 2020. Please refer to the current process above to request Administrative Leave COVID 19 as of June 1, 2020.
