How can students turn in an Adobe Spark project/assignment from Adobe Spark?

Tell Me

Students can submit their Adobe Spark project to a Canvas Assignment by using the **Turn in to Canvas** option in Adobe Spark to submit their Spark project (Video, Page, or Image).

1. Log into your **Canvas course**
2. Note the name of the assignment

3. Log in to **Adobe Spark**
4. Click your completed Adobe Spark project to open
5. Click the **Share** icon

6. Click the option to **Turn in to Canvas**

7. The **Turn In** window appears
8. Choose the **Course** dropdown option to select your Canvas course

9. Choose the Assignment dropdown option to select the Canvas Assignment

10. Click the **Turn In** button
11. The **Assignment turned in** window will appear showing success.

12. Go over to the Canvas Assignment.

13. Click the assignment to open.

14. The assignment is successfully submitted.
15. Students can click on the Submission Details to confirm submission completion.
