

# How do I add participants to a past Canvas course?

## Tell Me

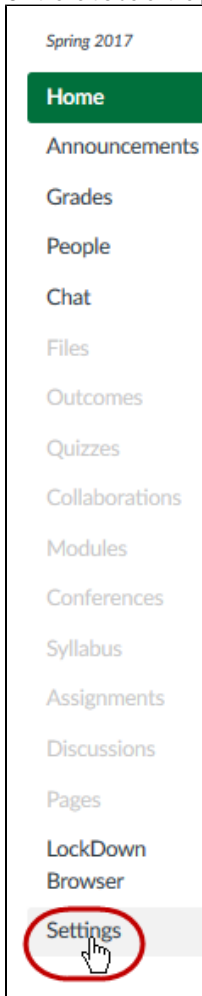

You can add participants to past Canvas courses that are less than a year old. You must change the course **Ends** date and select the **Users can only participate in the course between these dates** checkbox in order to see the **+People** button on the People page

### Older Courses

For older Canvas courses, [submit a ticket](#) with the IT Service Desk or email [help@uncc.edu](mailto:help@uncc.edu). Include the course name including the subject code, number, section, and semester

#### 1. Change the course end date

- a. Access the Canvas course
- b. On the left side of the page, click the **Settings** link. The Course Details page is displayed

- c. In the **Ends** text box, specify a future date. For example, the next day

d. Select the **Users can only participate in the course between these dates** checkbox

Course Details

Image:
