

How do I upload content to my personal webpage?

Tell Me

To upload content to the Personal Webpages account (once your account is provisioned):

1. Open SFTP program of choice (Filezilla, WS-FTP, etc.)
 2. Connect to webpages.uncc.edu (TCP port 22 - SFTP protocol)
 3. Authenticate using NinerNET credentials
 4. Upload content, make sure the main index file is index.html (all lowercase)
