

How do I request a personal webpage from UNC Charlotte?

Tell Me

1. Go to hosting.uncc.edu and login using your NinerNET credentials
2. Click **Request Account**

3. Wait up to 10 minutes for the account provisioning to take place
4. Webpage will be available at <https://webpages.uncc.edu/<username>>

All personal webpages have 2GB of storage. To request an increase in storage space, please contact the [IT Service Desk](#).
