

# How do I connect a laptop to the smart podium using HDMI?

Tell Me

1. Locate the HDMI cable in the cable cubby on the podium.

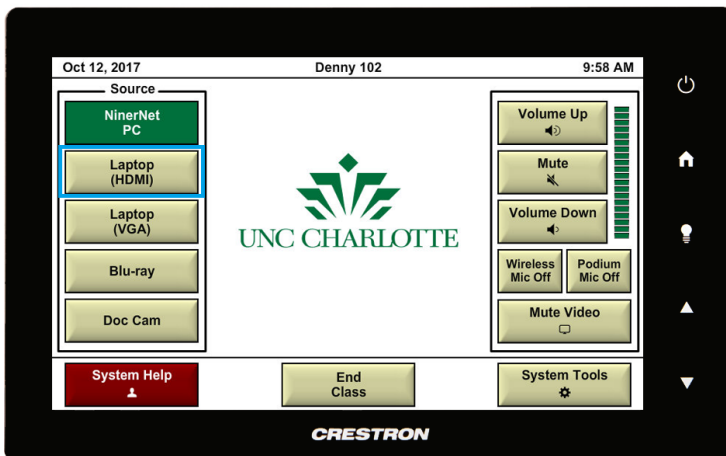

2. Plug the HDMI cable into the HDMI port on your laptop.

You may need an adapter to connect your laptop to the podium. You must provide your own adapter. Classroom Support does not provide adapters.

3. On the touch panel, select **Laptop (HDMI)** from the source list on the left side of the screen.

4. The HDMI connection will carry both video and audio to the podium system.
