Why am I getting a connection error for eduroam wireless on my Windows 10 computer?

Tell Me

1. After resetting your NinerNET password, you may experience connection issues with eduroam. Select the wireless icon in the bottom right hand corner of the screen (near the clock) to bring up the network selection menu

   a. Select **Network Settings**

   ![Network settings](image)

   b. In the **Network Settings** window, make sure **Wireless** is turned on and then select **Manage Wi-Fi Settings**

   ![Manage Wi-Fi settings](image)

   c. Select **eduroam**, then click **Forget**

   *Give and get Internet access without seeing shared passwords. You'll get connected to Wi-Fi networks your contacts share, and they'll get connected to networks you share.*

   ![Manage known networks](image)

   d. Repeat the process of **connecting to Eduroam** wireless
