

What happens to my approved tuition waiver(s) and textbook loan(s) when I drop a UNC Charlotte course?

Tell Me

If course is dropped	Then	And	Then
BEFORE the published Drop /Add deadline	your approved tuition waiver will automatically be dropped; it will be credited back to your allotment for the academic year	If using textbook loan	all textbooks acquired through the FSTLP must be returned in satisfactory condition to the UNC Charlotte Barnes & Noble bookstore on or before the deadline for book return as published on the FSTLP webpage . Failure to do so will result in the "full purchase price" of the textbook(s) being deducted in a lump sum from your next paycheck.
AFTER the published Drop /Add deadline	your approved tuition waiver will not be dropped; it will be deducted from your allotment for the academic year
